23 August 1972

MEMORANDUM FOR: Director, Office of National Estimates
SUBJECT: Review of Documents

1. As you know, the Director has expressed his intent to maintain the classification of National Intelligence Estimates in response to queries under either the Freedom of Information Act or Executive Order 11652. In conjunction with the New York Times request of 31 July 1972, the following estimates were identified as responsive to the query:

STAT

In accordance with the Director's intent, the New York Times has been advised that the documents, not identified to the Times, will not be released.

2. The action taken to date relative to these documents constitutes a ten-year review under paragraph D, Section 5, EO 11652, and Part III,  These documents should be marked to note the completion of this ten-year review and the continuation of the original classifications. The markings should include the date the review was completed, person or persons conducting the review, and any exemptions.
